

## Vacation

Vacation is spending time  
with a love  
sharing happiness.  
That being done,  
vacation was a success.  
A walk in the park.  
The beach for a day.  
A ride through the country.  
A roll in the hay.  
Some getting up late.  
Some setting in the sun.  
A movie and dinner.  
More close quiet fun.  
It need not be long, or far away.  
Just get together, and make up the rest.  
Vacation is spending time  
with a love,  
sharing happiness.
